# 7 NYC Developments That Set the Scene for the Perfect Summer Staycation

Jun 22, 2022 | By: Ameena Walker

With the summer season upon us and increased flight cancellations snarling travel plans, many city dwellers are looking for ways to unwind without straying too far from home. From rooftop views of the iconic Macy's 4th of July fireworks to swimming pools and barbecues, here are seven developments whose amenities offer fun in the sun for residents without the hassle of leaving their confines.

## Olympia Dumbo

Located at 30 Front Street in Brooklyn, [Olympia Dumbo](#) offers pristine river and skyline views, along with an unparalleled array of amenities that take staycations to a new level. The 33-story building has three floors of amenity space—the Garden, the Bridge, and the Club—spread across 38,000 square feet that are designed to maximize comfort and convenience. The Garden level features landscaped private gardens and a lounge that overlooks them, while the Bridge level is dedicated to wellness and provides indoor and outdoor pools, cabanas, barbecue areas, a steam room, treatment room, dry sauna, juice bar, tennis court, landscaped park, and ship-inspired children's playground. The Club offers a game lounge, bar, two-lane bowling alley, fitness center, spin studio, and boxing gym.
