Olympia DUMBO: Redefining Luxury Living with Unmatched Amenities in Brooklyn's Skyline

By: Staff

Impressions: 3,682

[Olympia DUMBO](#) stands out in the historic neighborhood known for its loft conversions, offering 76 residences ranging from one to five bedrooms, including penthouses with private terraces. Starting at approximately \$1.75 million, these homes provide breathtaking views of the New York Harbor and lower Manhattan skyline. The building's record-breaking sales and popularity are a testament to its unique appeal in the Brooklyn real estate market.

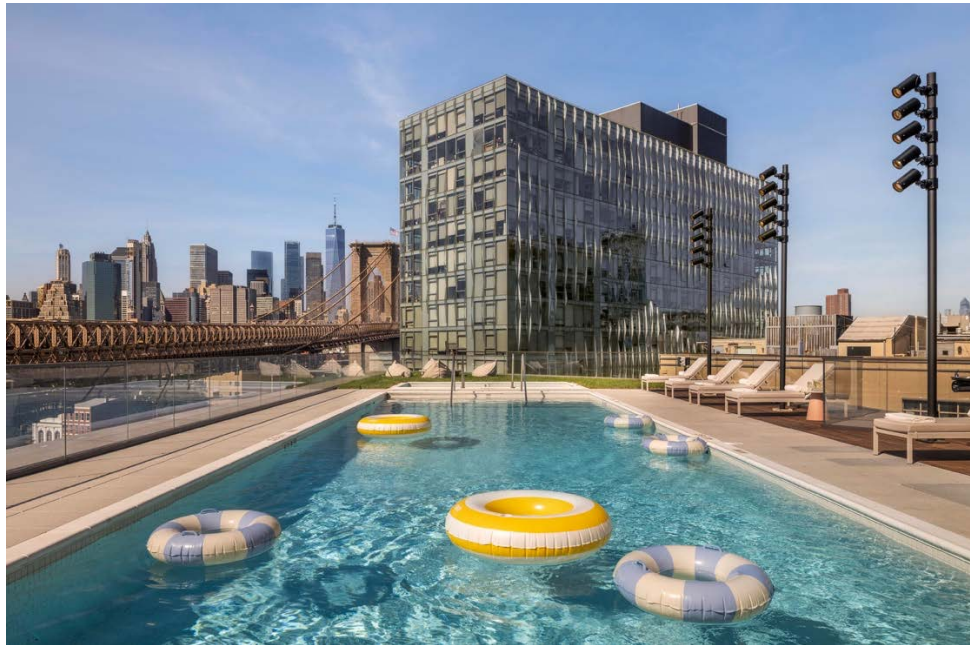

The highlight of Olympia DUMBO is its 38,000 square feet of indoor and outdoor amenities, which include New York City's highest private outdoor tennis court. The wellness facilities are unmatched in the area, featuring indoor and outdoor pools, a state-of-the-art fitness center, sauna and steam room, movement and spin studios, and a juice bar. For families, the building offers a playroom, an outdoor shipwreck-themed

playground, a private park, and a waterpark, ensuring entertainment and relaxation for all ages.

The design team, inspired by DUMBO's rich history, has created a living space that resonates with the area's nautical past and industrial heritage. The sail-like architecture by Hill West and the maritime-themed interiors by Workstead reflect a deep connection to the neighborhood's waterfront legacy. The building has already attracted notable residents, including NBA star Ben Simmons and musical theater icons Kristen Anderson-Lopez and Robert Lopez.

Represented by top real estate teams from Douglas Elliman and Sotheby's International Realty, Olympia DUMBO is a beacon of modern luxury in Brooklyn. The building's unique amenities, stunning views, and historical inspiration make it a standout addition to New York City's real estate landscape.
