Set against the stunning backdrop of the Brooklyn waterfront, Olympia in DUMBO is redefining luxury living in one of Brooklyn's most desirable neighborhoods. Beyond its prime location, Olympia offers a range of fitness amenities that rival the best gyms in the city: a boxing gym, a state-of-the-art fitness center, a spin studio, a movement studio, and even a bowling alley. But what truly sets this development apart is its commitment to tennis.

Perched on the building's bridge level, which boasts over 38,000 square feet of indoor and outdoor amenities, is NYC's highest private outdoor tennis court. With a Laykold hard-court surface—the same used at the US Open—this court provides residents with breathtaking views of the Brooklyn Bridge and the city skyline. This exclusive amenity allows residents to skip the hassle of booking a public court or dealing with the waitlists of private clubs. For those who appreciate both luxury and the sport of tennis, Olympia offers the best of both worlds. It's no wonder the building is already over 50% sold.
