Residence 20B at Olympia DUMBO is a three-bedroom, two-and-a-half-bathroom corner residence where meticulous detailing meets a privileged DUMBO setting. With light pouring in from multiple exposures, the home enjoys direct views of the Manhattan Bridge and skyline, offering a sophisticated take on waterfront living.

Upon entry, an elegant foyer opens onto a generous lounge and dining area, well-suited to entertaining without sacrificing comfort. The primary suite looks out over the East River and includes a large walk-in closet and an en-suite bathroom finished in Agglo Ceppo honed stone, with brushed-nickel fittings, a freestanding soaking tub, and a custom white maple double vanity detailed with satin-nickel pulls, deck-mounted faucets, and oak controls.

However, it's the amenities at Olympia DUMBO that really steal the show. More than 38,000 square feet of indoor and outdoor spaces are spread across three levels, including two pools, a fitness centre curated by GRONK Fitness, sauna and steam rooms, a movement studio, a dedicated spin area, and a juice bar. Last, but not least, is its most talked-about feature: New York City's highest private outdoor tennis court, set dramatically above the Brooklyn Bridge. ■
